THE BETTER DRINKING CULTURE

Alcohol... It's something many of us love, despite the not so occasional hangover.

However, more people are choosing to live with lower alcohol intake, or even an alcohol-free lifestyle. With this new focus, we've rethought our approach to Neon Pigeons cocktails.

Equal rights for all, equal drinks for all.

EAT. DRINK.

With full alcohol, lower alcohol or zero alcohol.

Keep your eyeballs open for the icons below:

FULL PROOF

=

A traditional style cocktail with all the booze you'd expect.

HALF PROOF

=

The cocktail has about half as much booze as a typical cocktail.

NO PROOF

=

The cocktail is absolutely, one hundred percent alcohol free.
