

# THE MAGNIFICENT 7 VS. 7 SAMURAI

The lucky number 7.

There are the Seven Wonders of the World; seven dwarfs;  
seven days in a week; seven colors in the rainbow;  
seven swans a-swimming; seven notes on a musical scale;  
seven deadly sins.

From the East came the 7 Samurai, later redone in the  
West as the Magnificent 7. Akira Kurosawa initially envisioned  
making a movie about a solitary day in the life of a Samurai.

While researching the film he learned about a group of samurai  
that defended a village of farmers. The flick was originally going  
to be called Six Samurai, but they realised that a movie about six  
boring samurai was not going to cut it. They needed a character  
that was more eccentric, more off the wall.

# BETTER DRINKING CULTURE

Alcohol...

It's something many of us love, despite the not so occasional hangover.

**EAT. DRINK. BELONG.**
